

MIDDLE EAST SCHOOLS

PROVIDING FOR NAZARENE PRIMARY SCHOOL NEEDS IN JORDAN AND IN LEBANON.

- NCM has long been committed to supporting the education of refugee and low-income children in the Middle East.
- Always working on a tight budget, the pandemic has put the schools at risk of not being able to meet legal and programmatic responsibilities.
- Your support will allow the program to continue for these children who may not otherwise have access to education.

School Repairs and Renovations Funds are needed as well for maintenance and much-needed renovations to school buildings to maintain a healthy and safe environment in which the children can learn.

Last year NCM Canada provided for the purchase and installation of solar panels so the school could continue to operate during electricity disruptions.
