WAYS TO GET INVOLVED WITH NCM CANADA

Content Creation

- Contribute towards the "Faith in Action" online Podcast (YouTube series).
- Develop a devotional/reflection in English, Spanish, or French.
- Focus on the overall theme of compassion, using biblical support.
- Submit a 3-to-7-minute pre-recorded audio file to the NCM Canada Staff.

Awareness & Fundraising

- Pray and pick a project from the NCM Canada catalogue/website.
- Learn about the issue, globally and locally. NCM Canada has several topics you can learn about, and some have resources/toolkits (Anti-human trafficking, Creation care) and lots of links to help you.
- Set a date and time (bible study, small group gathering, family dinner, service, etc.) to share details about the issue and about our response as the church to the issue.
- Choose a way to engage your local church/community (some ideas: bake sale, worship concert, community walk/bike 3-5km, love offering appeal, etc.) and raise funds.
- Donate the funds received to your chosen project (see website for details).
- Continue praying and stay connected with NCM Canada to learn how your gift makes a difference. You can sign up for our newsletters, or follow us on social media (Facebook, Instagram, Twitter)
- Report back to all those who supported and organize another event as often as God leads you to.
