

Water, Hygiene, Sanitation & Health

An Integrated Approach

KENYA - Integrated project (Water, Sanitation, Hygiene and Health)

- The total population benefiting from this project will be **10,000** people in 11 communities in Kenya. The integrated program is centred in local Nazarene Churches and Child Development Centres.

- Focusing on digging wells to provide accessible and clean drinking water, and on increasing women's knowledge of health, hygiene and sanitation so as to reduce child and mothers' deaths and diseases.

Vision: A Kenya where there are no preventable deaths of women, new-borns or children and; no preventable still-births, where every pregnancy is wanted, every birth celebrated and where women, babies, children and adolescents are free of HIV/AIDS, and survive, thrive and reach the full potential as designed by their Creator.
