

“Grow Hope Markdale” or “Seeds of Life”

Help Us Feed Hungry People in Our World

Watch your donation grow!

Sponsor an acre of wheat for \$400 which pays for...

- preparation of the soil
- seed, fertilizer, cost to plant the crop
- weed control
- harvest
- storage and transport of the crop
- some land rental costs

The farmer plants, cares for the crop, harvests, and sells it. Expected return is

about \$500 per acre which goes to the Canadian Foodgrains Bank where it is matched up to 4:1 by the Canadian government. Your \$400 becomes as much as \$2500 worth of food for hungry families.

Make cheques payable to the “Church of the Nazarene Canada”, designated “GrowHope Markdale” and send to the National Office.
